The following notice is for Illinois residents:

Illinois Civil Union Law Notice

Signed by Governor Quinn on January 31, 2011, the Religious Freedom Protection and Civil Union Act (Public Act 96-1513, the "Civil Union Law") allowed both same-sex and different-sex couples to enter into a civil union with all of the obligations, protections, and legal rights that Illinois provides to married heterosexual couples. A civil union is a legal relationship granted to unmarried adult partners by the State of Illinois. The Civil Union Law ensures that civil unions and marriage are treated identically under Illinois law. For purposes of Illinois law, the term "spouse" (and other terms that denote the spousal relationship) now includes a party to a civil union.

This notice is to inform you that in compliance with the Act, effective June 1, 2011, under all Mutual of Omaha Insurance Company or its affiliated companies insurance policies and riders covering Illinois residents, any benefit, coverage or right, governed by Illinois state law, provided to a person considered a spouse by marriage will also be provided to a party to a civil union and any benefit, coverage or right, governed by Illinois state law, provided to a child of a marriage will also be provided to a child of a civil union.

Federal law may impact how eligibility and benefits for certain insurance products are treated. For example, federal tax laws that afford favorable income-deferral options to an opposite-sex spouse under the Internal Revenue Code do not currently extend such rights to a same-sex spouse (e.g., the Federal Defense of Marriage Act).

More information of the act or how it affects insurance coverage is available by contacting the company.
